

## Kings Regional Development Agency

Stephen Kerr

### New Executive Director for Kings RDA

Hugh Simpson, Chairperson of Kings Regional Development Agency (Kings RDA) Board of Directors, is pleased to announce that following a 4 month search a new Executive Director has been hired for Kings RDA. Stephen Kerr will take the lead position at the Agency starting March 1, 2010. Stephen brings 30 years of experience to the position in both the private and public sectors. He is a dynamic and accomplished leader with a proven track record of achievement.

“It is an ideal time for Kings RDA to bring in a new leader as we begin to develop a new five year regional strategic plan,” states Hugh Simpson. “This will be a great opportunity for Stephen to work with Agency partners to shape future plans and initiatives,” added Simpson.

Kings RDA is the regional development authority for Kings County, operating since 1995. It is a community-driven, non-profit society working with municipal, provincial, federal and community partners to make Kings County a better place to live, visit and do business.
